## Speakers Subcommittee

- Charter: To ensure the presence of an appropriate NASA Glenn spokesperson at various Centennial of Flight venues. This subcommittee will comprise or facilitate the generation/coordination of speakers that are wellversed in Center and Agency background, technical information, and educational endeavors. Due to Glenn's geographic location and the heavy demand that it places on the Center's involvement, the committee will rely heavily on Glenn speakers to communicate NASA's mission.
- Lead(s): Bryan Palaszewski, 433-2999
